The MVG Museum

Ständlerstraße 20, 81549 München

About the Location

The MVG Museum is a unique event location that combines historical charm with urban flair.

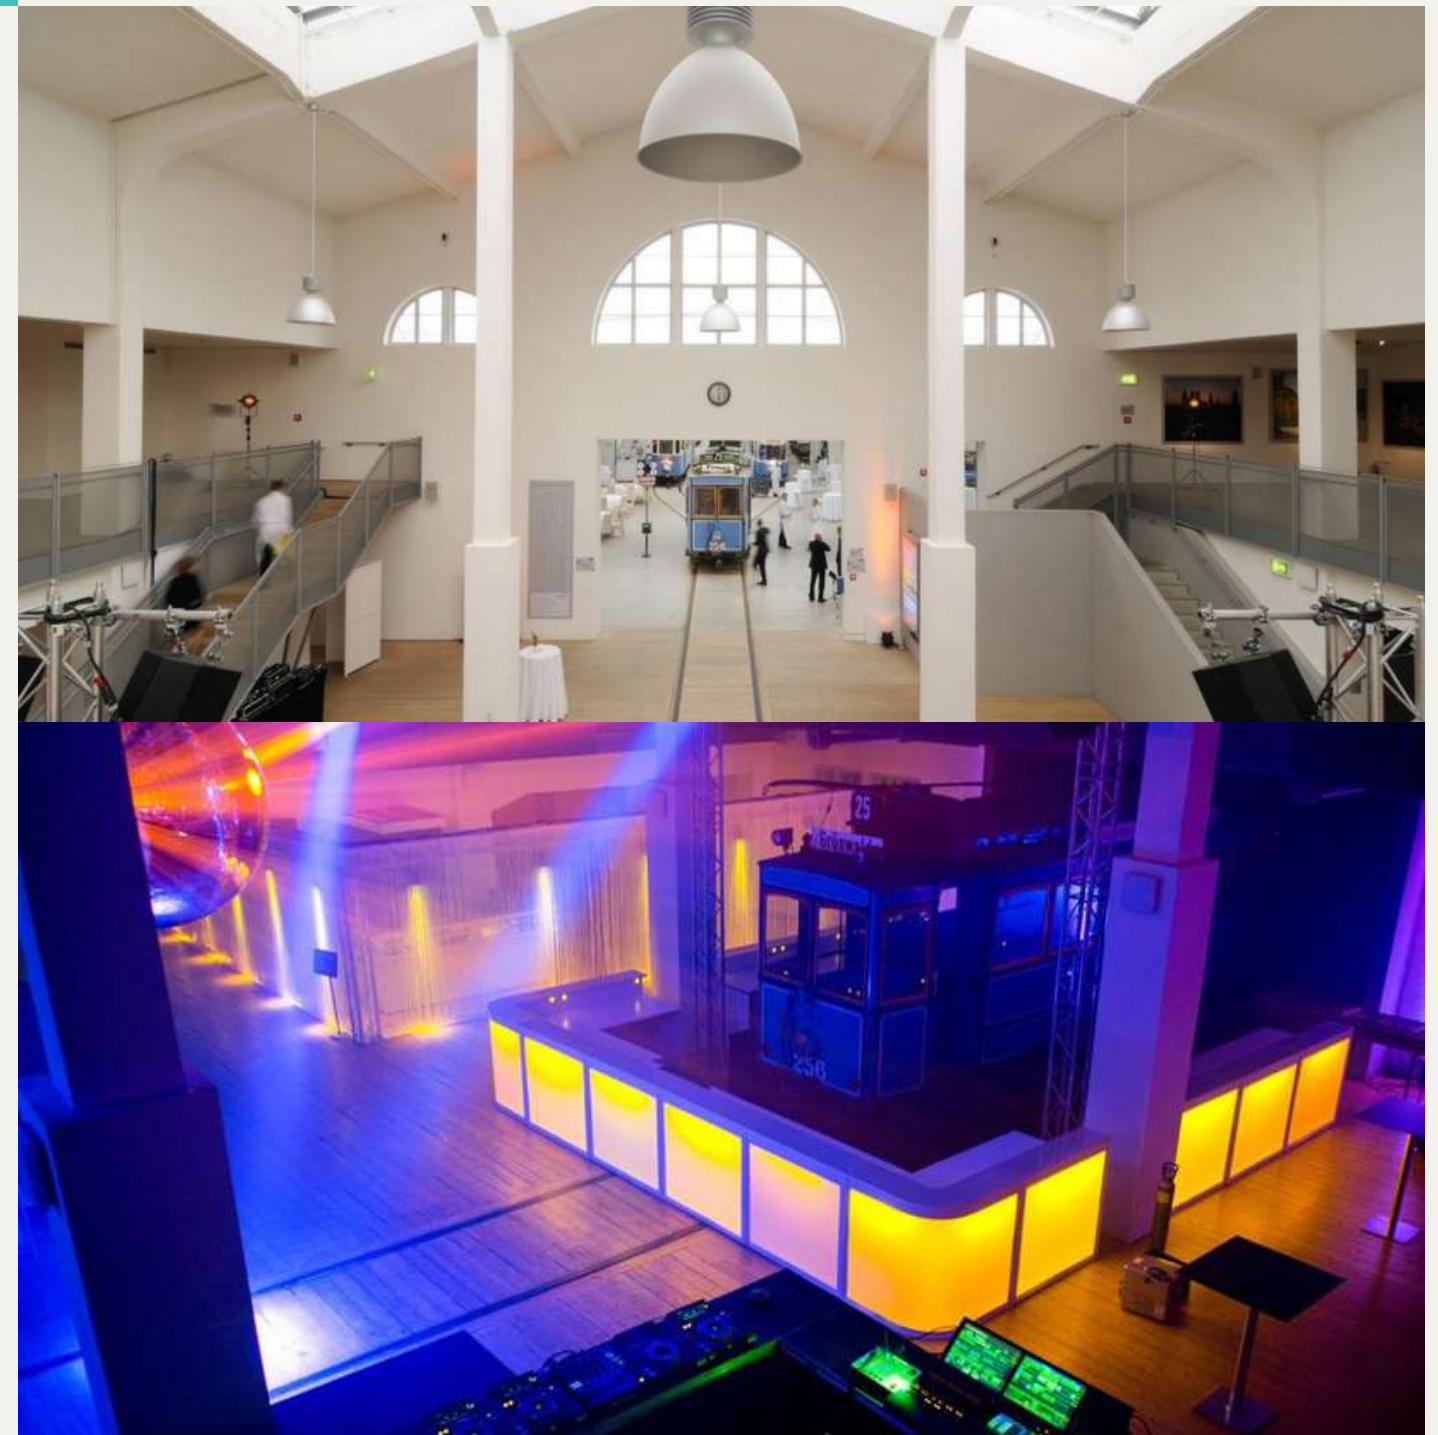

In the former streetcar hall in the Giesing, the museum offers over 5,000 square meters of space for events of all kinds - from corporate events and galas to concerts. Surrounded by historic vehicles from Munich's public transport company, an extraordinary atmosphere is created that makes every event an unforgettable experience.

Head-end building Kopfbau

The bright head-end building with its two-storey high ceilings and side galleries is suitable for events of all kinds.

Do you need a venue for a workshop, an atmospheric gala dinner or a slightly different party location? Everything is possible here - WOW effect guaranteed!

Head-end building Kopfbau

- Built-in bar with portafilter machine
- Conference, standing and bistro tables and chairs
- Checkroom with counters
- Automatic sun shading
- Parking spaces
- Catering room
- Loading and unloading space for trucks
- Barrier-free access
- Shuttle service with trams possible

Kopfbau ground floor	615	108	190	168	192
Kopfbau + galleries	980	216	435	378	320

Museum hall

We adapt the area to your space requirements!
Small or large, with tangible history through our exhibits
or a minimalist industrial building.
The museum hall offers unlimited flexibility and we
support you in realizing your concept in the best
possible way.

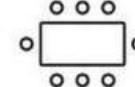

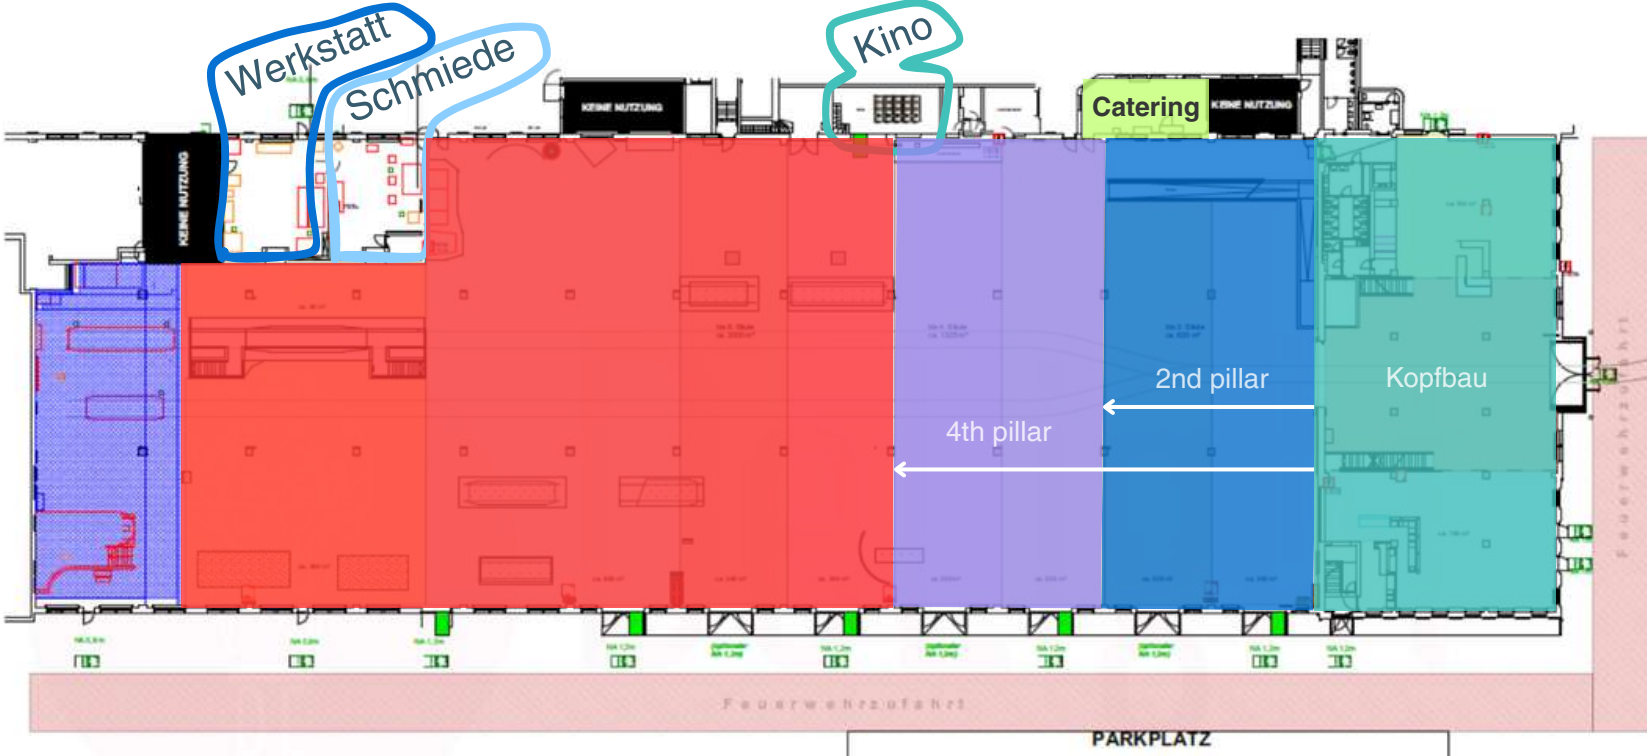

Museum hall

- Nostalgic movie theater (Kino) for 16 people
- Subway simulator
- Historical vehicles for use, e.g. tram as seminar room
- Partition and exhibition walls for separation
- Skylight with sunshade
- Catering room
- Old forge (Alte Schmiede) and workshop (Werkstatt) as adjoining rooms
- Accessibility
