**Your evening event is going to be unique:
The generous event area offers you many
possibilities to create your special moment.**

No matter if you choose classy round tables (up to 500P), modern oval tables which allows you more comfortable conversations, angular tables to fill up more space or table rows.

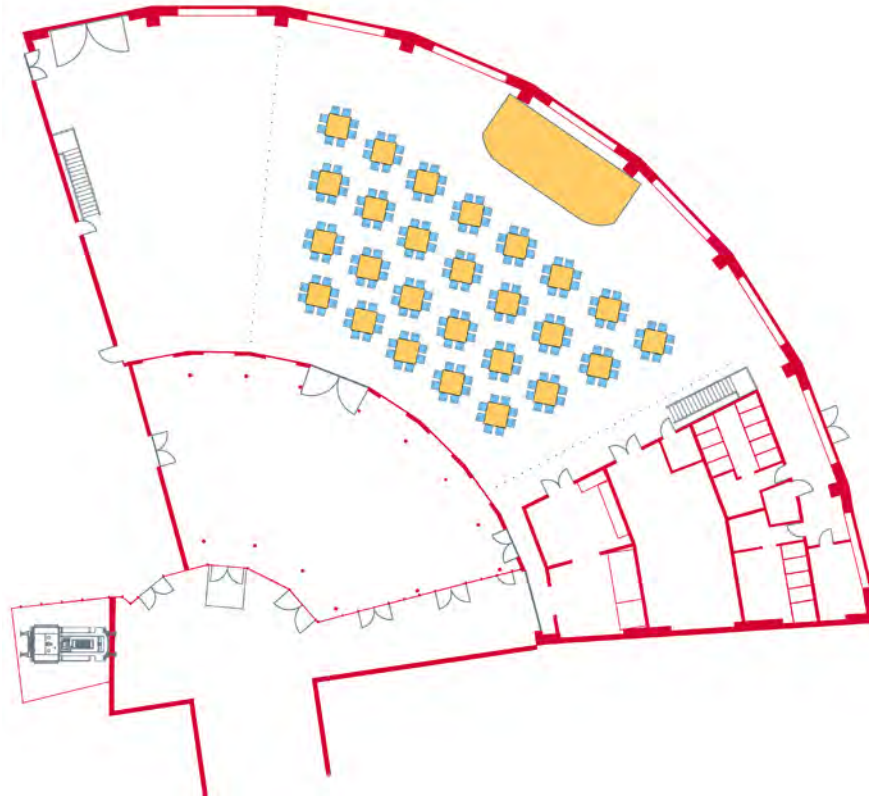

The Alte Lokhalle still gives you enough space for a stage programm, dancefloors, wardrobe and reception desk and for the catering stations.

With this documentation we would like to entrust some ideas and examples for your event.
