## IDEAS

Presentations,  
shows,  
fairs &  
exhibitions

**Because of its extraordinarily architectural design and high ceiling, the Alte Lokhalle is the perfect place for product presentations, big shows, television studios and fairs.**

Owing to the wide supplier doors we are able for a quick set up of big exhibits and ornate stage programs.

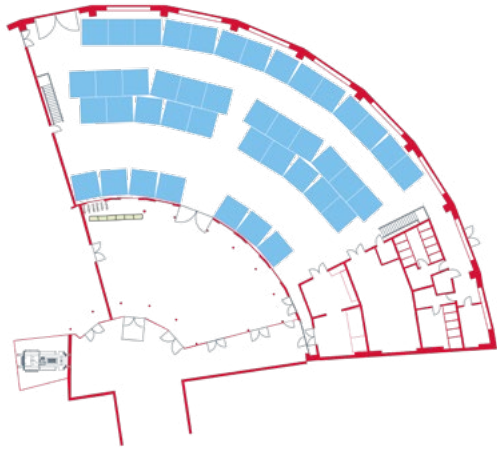

You are free in choosing where to place your stand and as a special highlight, we can let heavy loads „fly“ with our heavy duty traverses extra made for our location.

The well-groomed outside terrain offers you additional space for your presentation.
