## FRANKFURTER BOTSCHAFT

At Frankfurt's Westhafen, you can come together, enjoy, and linger right by the River Main in a unique atmosphere. The impressive building on the riverbank provides a charming backdrop for the restaurant's spacious outdoor area, which in summer offers plenty of room for open-air dining and relaxed get-togethers, with a covered terrace and the Botschaft Beach.

## THE PLACE FOR YOUR CELEBRATION

Whether it's a birthday, a wedding (the Frankfurt Römer is within walking distance), a corporate event, a conference, or a workshop - we look forward to creating a special experience for you and your guests at the Frankfurter Botschaft, indoors and/or outdoors.

## RESTAURANT & BAR

Dining with a waterfront view – in the rotunda of the Frankfurter Botschaft, you can enjoy the charm of the Westhafen flair in a harmonious setting with attentive service, undisturbed. The restaurant seats around 100 guests, and for events can accommodate up to 150 people.

## TERRACE & BOTSCHAFT BEACH

Large-format harbor cinema in the heart of Frankfurt. Surrounded by olive trees and lush greenery, our covered terrace offers cozy box seats to watch the activity on and along the water while letting your soul unwind over culinary delights from the Botschaft kitchen. The terrace can accommodate seated meals for up to 100 people.

Beach vibes and sand between your toes – right in the city. Our Botschaft Beach offers plenty of space not only for sun worshippers, but for anyone who wants to briefly escape the fast pace of city life and relax in a little oasis. With barbecue, snacks, ice cream, and drinks, Botschaft Beach can host around 500 guests.

## 23 NORD

The 23rd floor of the Westhafen Tower offers the perfect setting for meetings, seminars, and receptions. The flexible space adapts to your needs – whether for focused work, networking, or special events with breathtaking views.

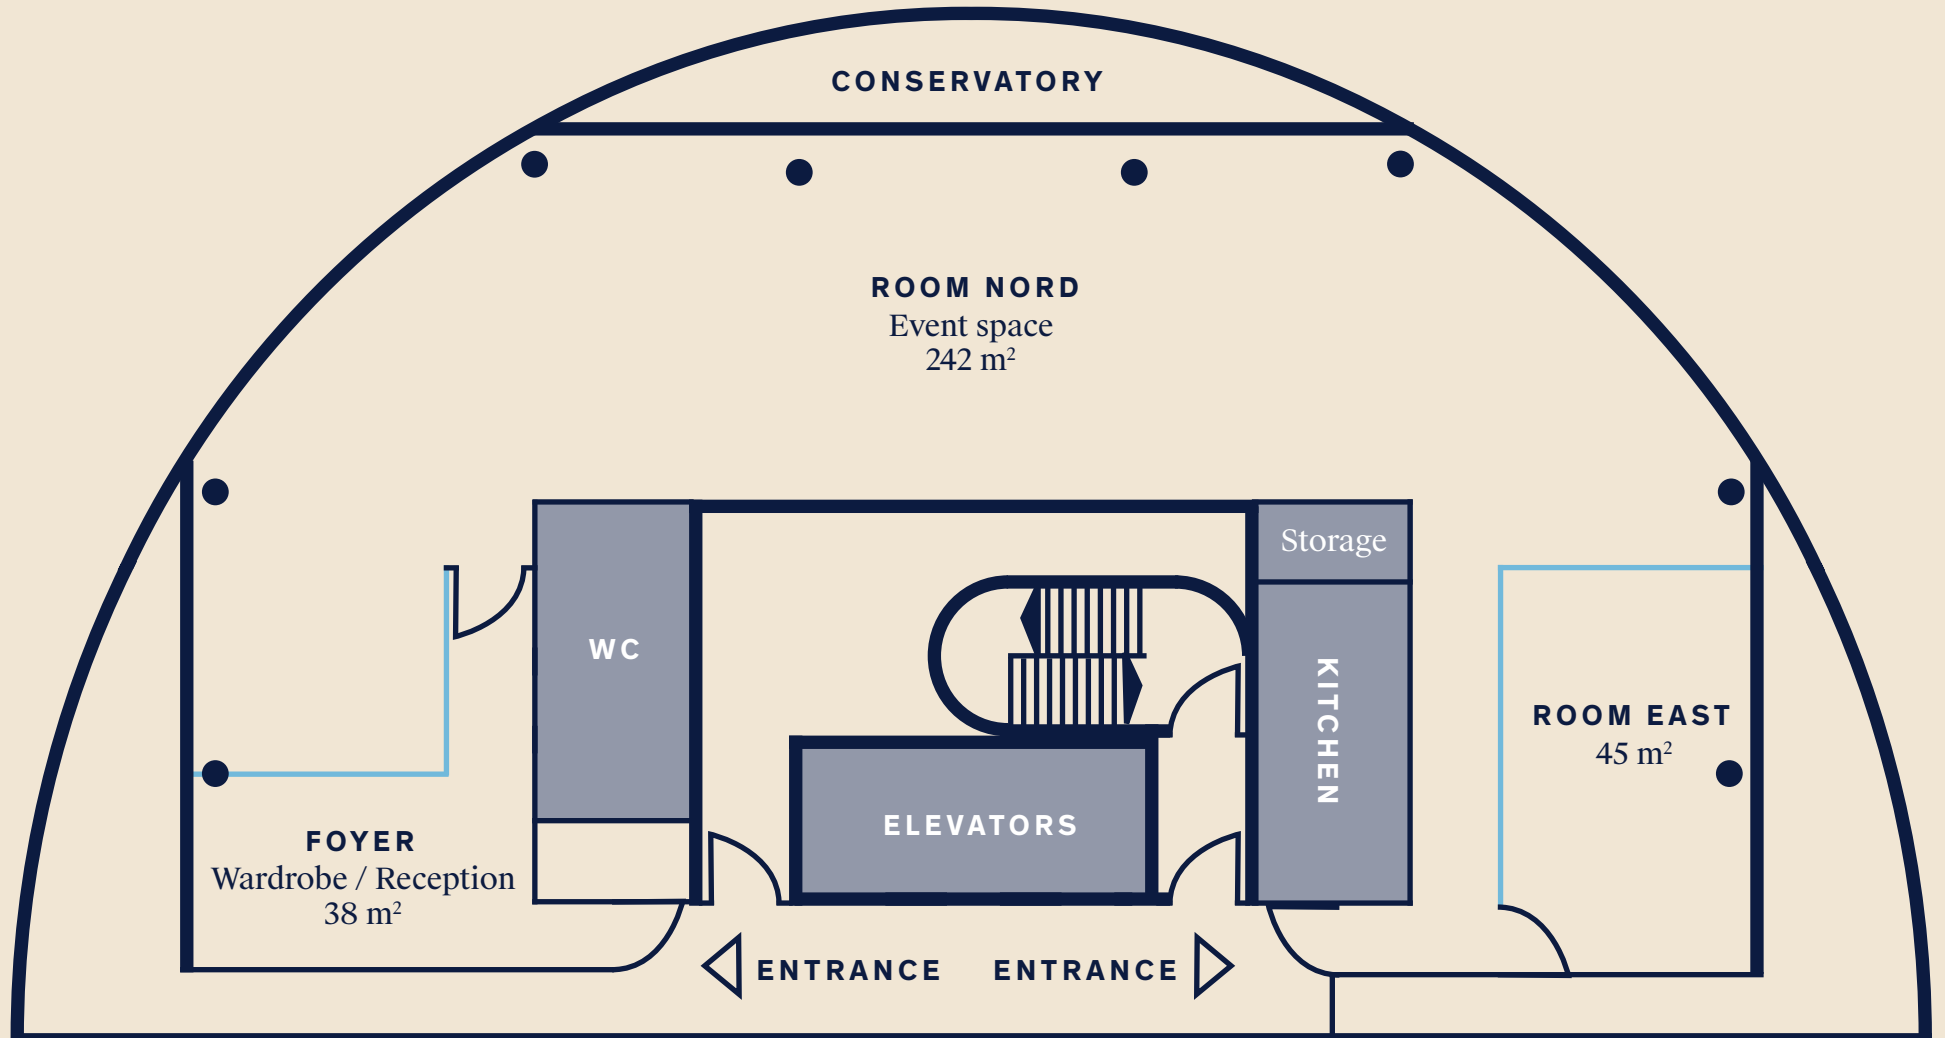

A highlight is the combination of business and pleasure: start with a workshop or conference, enjoy an exclusive business lunch in the waterfront restaurant, or end the day with canapés and drinks. In summer, the terrace invites you to a BBQ; in winter, to a stylish dinner.
